## About Hydrobaths

We take pleasure in introducing ourselves as one of the Leading provider of complete bathroom solutions. We offer complete end to end, bathroom solutions from Sanitary ware to Faucets to Tiles.

Hydrobaths has been in the industry for over 20 years and has been the pioneer in the Indian bath industry and is credited for introducing some of the best and some of the most. Hydrobaths started operations in early 90s, as a manufacturer of acrylic tub. Headquartered in Gurgaon, Hydrobaths is one stop shop for complete bathroom solutions. From their tradition of manufacturing acrylic bathtubs, Hydrobaths (HRM) became one of the first importers of multi-function shower enclosures in the 90's.

Building on the vast pan-India distribution network they established, HRM expanded their portfolio of imported products over the years to Jacuzzi, Spa, Endless Pool, Steam Generator, Saunas, Rain Showers, Whirlpools, Tiles, Faucets, Washbasins and EWC along with some world-renowned innovative light construction materials like SmartBoard and skim coat, sourced from around the world- Italy, Germany, Spain, Thailand and China.
